Dated: 26.02.2021

Cancellation of the On-site Recruitment for the post of “Junior Pharmacovigilance Associate”

Pharmacovigilance Commission of India (PvPI) earlier instructed our Institution to conduct ‘on site recruitment of Junior Pharmacovigilance Associate’ which was subsequently initiated by the concerned authority of Burdwan Medical College as per the regulations mentioned by PvPI. Therefore, a ‘Vacancy circular’ for on site recruitment of Junior Pharmacovigilance Associate bearing memo no BMC/276/1/ 2021 dated 01.02.2021 was published by the competent authority of Burdwan Medical College.

However, the recruitment right is taken back by the Pharmacovigilance Commission of India/ its associate agencies, due to inadequate number of eligible candidates in the stipulated time to continue with the “on site” selection process for the above mentioned post.

Therefore, the Vacancy circular for on site recruitment of Junior Pharmacovigilance Associate bearing memo no BMC/276/1/ 2021 dated 01.02.2021) stands cancelled.

This is for information of all concerned.

By Order,
Coordinator, ADR Monitoring Center
Burdwan Medical College, Burdwan
